- Monitoring Asian influenza surveillance (Monitoring and assessment influenza in Indonesia) with Dr. Wiku Adisasmito, M.Sc, Ph.D.
- Monitoring influenza surveillance epidemiology in Indonesia (Asian Influenza) with Dr. Wiku Adisasmito, M.Sc, Ph.D.
- Monitoring influenza surveillance epidemiology in Indonesia (Asian Influenza) with Dr. Wiku Adisasmito, M.Sc, Ph.D.
- Monitoring influenza surveillance epidemiology in Indonesia (Asian Influenza) with Dr. Wiku Adisasmito, M.Sc, Ph.D.

FIELD OBSERVATION

Stakeholder Visit

Having a close relationship with stakeholder is a must, together with them, we discovered the main problem in community

In field observation, we realized how the policy implemented

Antiviral

Indonesia use both Tamiflu and Oseltamivir as antiviral for Asian Influenza

In the interview with stakeholders, we recognized the antiviral policy and also the antiviral cycle.
